

## PUBLIC STATEMENT

### (India–European Union Free Trade Agreement)

Date: 27/01/2026

### Subject: Welcoming the India–European Union Free Trade Agreement

**Warke Technologies and Research Private Limited** welcomes the successful signing of the **Free Trade Agreement** between **India and the European Union**. This milestone marks an important step in strengthening economic cooperation, innovation exchange, and long-term strategic partnership between the two regions.

The India–EU Free Trade Agreement reflects a shared commitment to openness, sustainability, and technological progress. By improving market access and encouraging cross-border collaboration, it creates new opportunities for businesses and research-driven enterprises to grow and innovate together.

As a technology and research-focused company, **Warke Technologies and Research Private Limited** views this agreement as a catalyst for deeper collaboration in software, digital infrastructure, research, and emerging technologies. In light of this development, we look forward to placing increased strategic focus on the European Union market and strengthening our engagement with EU-based partners and institutions.

We remain optimistic that this agreement will foster inclusive growth, innovation, and shared prosperity, and we look forward to contributing to the success of this historic India–EU partnership.

Thank You
